[CIRCULAR No. 1c.]

U. S. Department of Agriculture,

DIVISION OF ENTOMOLOGY.

Washington, D. C., 1886.

In reply to your letter asking for silk-worm eggs, I beg to inclose a blank upon which you should make out a formal application. As it is now too late to send out the eggs this winter, I will have them kept in Washington, where they will carefully hibernated, and mailed to you in the spring when you inform me that the foliage in your neighborhood is ready to furnish food for the worms. I send you a card upon which you may give me this information. It should be dated and signed by you before mailing.

Yours respectfully,

C. V. Riley

Entomologist.

issued with Circular No. 1c

ISSUE No.....

APPLICATION No.....

.....1886.

Dear Sir:

As the foliage in this neighborhood is now sufficiently advanced to begin the feeding of silk-worms, you will confer a favor by sending me my eggs as soon as possible.

Yours respectfully,

.....
